Dear Sir/Madam,

MIGRATION TO T+2 SETTLEMENT CYCLE - GO-LIVE DATE

We refer to our earlier letter dated 29 January 2019.

We are pleased to inform that the Securities Commission has approved the amendments to the rules on the migration to T+2 settlement cycle. The industry wide testing on the External User Acceptance Test (EUAT) was also successfully completed. In this regard, we are pleased to inform that the go-live date of the migration to T+2 shall take effect on Monday, 29 April 2019.

We would like to invite you to attend a pre-launch meeting on the 8 April 2019 to brief the industry on the preparation for the migration. A pre-live test is scheduled on the 27 April 2019. Details of the meeting will be communicated in a separate email.

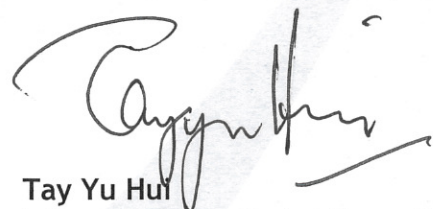

In preparation for the launch date, please communicate to all clients on the “go-live” date.

Thank you all for your participation in the EUAT and we look forward to working together with you for the successful launch of T+2.
