RE : Postponement of TA@dress Cessation.

We refer to the Memorandum dated 15 September 2015.

Due to the numerous feedbacks received from remisiers, The Management has further decided to postpone the cessations of TA@dress system to 15/10/2015. **This will be the final postponement**

Please take note that upon cessation of TA@adress, you will no longer have access to your email, bearing TA's domain eg. **ahmad@ta.com.my** and the attachment files. As such, The Management advises that you create your own email address (Yahoo or Gmail) and also to forward the attachment files to your new email address before the cessation date.

You can continue to access your trading reports, TA Research reports, TA internal memos and circulars from your TPro system under the "Web report" section.

Thank you.
