

**MEMORANDUM**

**To** : All Dealer's Representatives  
**From** : The Management  
**Date** : 3 October 2018  
**Subject** : **Implementation of e-Statement**

---

We refer to our earlier memo dated 30 August 2017, which is available via TCPPro, on our move towards sending electronic contract statements, contra statements, setoff statements and monthly statements ("electronic statements") to your clients. The Company has been informing all our clients via monthly statements about the upcoming product since February 2018.

Effective January 2019, for clients who have submitted the "Request for Electronic Statement" form, we will send electronic statements to your clients via their registered email address.

For clients who have yet to sign up to receive electronic statements, a portal will be made available for them to register and obtain their electronic statements. We will provide more details of the said portal once it is ready.

The "Request for Electronic Statement" form is available via our Company's website: [www.tasecurities.com.my](http://www.tasecurities.com.my) or at any of our offices.

As the clients have not been responsive, we continue to seek your assistance to get your clients to update their email addresses while taking the opportunity to register them for the ongoing Electronic Share Payment (ESP) service.

Should you need further clarification, please contact the officers at Documentation department of the respective branches.

Thank you.
