

Greetings from Bursa Malaysia and Securities Industry Development Corporation (SIDC)!

We are embarking once again on our **Market Professional Enrichment (MPE) Program 2019**, the annual workshop for Dealer Representatives (DRs) and Remisiers. The MPE Program is a CPE accredited 1-day intensive course targeting DRs and Remisiers who are our mainstream distribution channel. The course is SIDC CPE-eligible. Upon approval, each participant will be accredited with the approved CPE Points upon the completion of full day workshop of 6 hours program. The CPE accreditation process will take 2 weeks.

This year, the content of the program will be revamped towards “**Strategies for Warrants, ETFs and Derivatives**”, where focus will be channeled towards meeting the following learning objectives:

- Equipping participants with the knowledge and skills to determine the suitability of warrants, ETFs and derivatives according to investor risk profile;
- Discuss warrant trading strategies based on investment objectives;
- Analyse the utilisation of ETFs in clients’ portfolios and the benefits and risks of derivatives trading to investors;
- Discuss current trends and challenges related to ETFs

The schedule for the MPE program are as follows:
