

**MEMORANDUM**

**TO** : All Dealer's Representatives and Valued Clients  
**FROM** : The Management  
**DATE** : 13 October 2021  
**RE** : **New TA Online Mobile App**

Our new TA Mobile Trading App V3.0 is now live and available for download from Apple App Store or Google Play Store.

As part of our unwavering commitment to enhance the trading experience of our valued clients, we are pleased to introduce the new version of TA Online Mobile App!

In addition to viewing and trading equities, here are some other features:

- ❖ Detailed stock information and charts
- ❖ Heatmap – see how market is performing in one glance
- ❖ Portfolio – better management of your portfolio
- ❖ Order Book – better management of your orders

and many more!

We attach a simplified guide for clients to download and setup the new app or you may contact our Helpdesk at 03-2167 9799.

Thank you.
