

MEMORANDUM

To : ALL DEALER'S REPRESENTATIVES (DR's)
From : THE MANAGEMENT
Date : 24 DECEMBER 2018
Subject : **Implementation of e-Banking and e-Statement**

We refer to our earlier memos and wish to remind that the implementation date for e-Banking is on **1 January 2019**.

After receiving various feedbacks and appeals from DRs' and upon discussion with our banker, the service charge per cheque issued will be reduced from **RM10.00** to **RM5.00** in addition to all related charges after the implementation date.

We also wish to remind that the sending of electronic statements to clients via their registered email addresses will take effect in the first quarter of 2019. If your clients have yet to sign up, a portal will be made available for them to register and obtain their electronic statements. However, if your client wishes to obtain their physical statements after the implementation, a fee will be charged for each statement issued.

We wish to reiterate that the response for both exercises is not encouraging.

As such, to avoid the charges, we strongly urge you to request your clients to opt for the e-Banking and e-Statement facilities by submitting the "Application for Electronic Share Payment" form and "Request for Electronic Statement" form respectively.

Both forms are available via our website: www.tasecurities.com.my or at any of our offices.

Thank you.
