Attention : **All Carpark Season Pass Holders of Menara TA One**

From : **The Management**

Date : **9 May 2017**

Subject : **Recalling of Season Pass Cards and Revised Season Parking Fees**

Dear Valued Parker,

Please note that MTA1 is replacing all season pass cards due to new carpark system being implemented with immediate effect. Kindly bring your season card to the Property Management Office on the 8th Floor to have your cards changed.

The exchange of cards can be made from 9 May 2017 to 31 May 2017. Current season pass card holders can enter the parking with their existing card, and exit the parking with the new season pass card after the exchange.

Failing to change the existing season pass card within the stipulated timeframe will result in existing pass cards being barred, and a penalty of RM10.00 per card being charged. The Management will **NOT** issue free parking for those barred pass card holders that enters with a ticket. The onus of changing the cards is solely on the registered name of the season pass card.

Your co-operation on the above is greatly appreciated.
