

MEMORANDUM

TO : ALL DEALER'S REPRESENTATIVES
FROM : THE MANAGEMENT
DATE : 16 NOVEMBER 2022

**RE : MARGIN FINANCING FOR SUBSCRIPTION AND PURCHASE OF
SECURITIES ON A RECOGNISED STOCK EXCHANGE**

We understand that some Dealer's Representatives are not aware of the above and wish to remind that margin clients can subscribe and purchase securities on a Recognised Stock Exchange ("Foreign stocks"). Attached is the Directive from Bursa Malaysia dated 13 May 2016 for your reference.

Generally, no margin value will be given on the Foreign stocks. However, the Management may review the margin value on the Foreign stocks at its sole and absolute discretion upon request.

You may contact our margin officers or your respective Head of Branch for further clarification.

Thank you.
