

MEMORANDUM

To : ALL DEALER'S REPRESENTATIVES
From : THE MANAGEMENT
Date : 21 SEPTEMBER 2018
Subject : **IMPLEMENTATION OF E-BANKING**

We refer to our earlier memos dated 25 July 2018 and 29 August 2018 on the implementation of e-banking which is available via TCPro and would like to reiterate that Bank Negara Malaysia (BNM) is driving the migration to e-payments which is a fast and efficient payment mode. Moreover, Citibank our 'Paylink cheque' issuer has also informed that by beginning of next year, they will not be providing the 'Paylink cheque' service.

Based on the feedbacks received from Dealer's Representatives, we wish to inform that the Management has decided **NOT** to utilise the e-dividend bank particulars to update for e-banking.

In view of this, the Management has also deferred the implementation date of e-banking to **1 November 2018**.

We wish to seek your cooperation to get your clients to update their bank particulars so that the monies due to them can be credited into their bank accounts. If there is no such particulars, their monies will be automatically credited into trust and a fee of **RM10.00**, in addition to all the related charges, will be charged for issuance of a cheque from 1 November 2018 onwards.

You may refer to the "Non ESP Clients With Physical Cheque Payment" which is available in your TCPro for the list of your active clients who are still receiving cheques.

Thank you.
